

Organismos zooplanctônicos encontrados em alguns açudes do Rio Grande do Norte

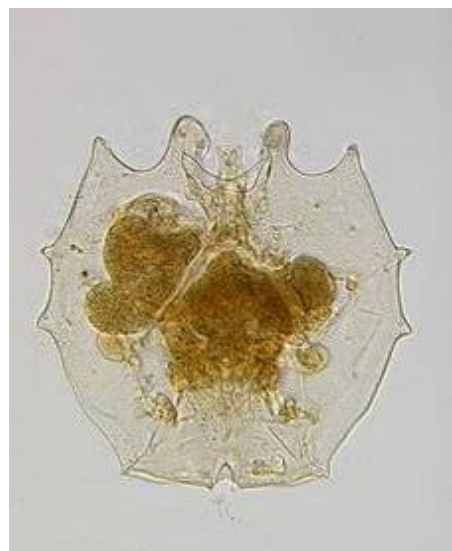

ROTÍFEROS

Brachionus angularis

Brachionus calyciflorus

Brachionus dolabratus

Brachionus falcatus

Keratella sp.

Asplanchna sp.

Conochilus sp.

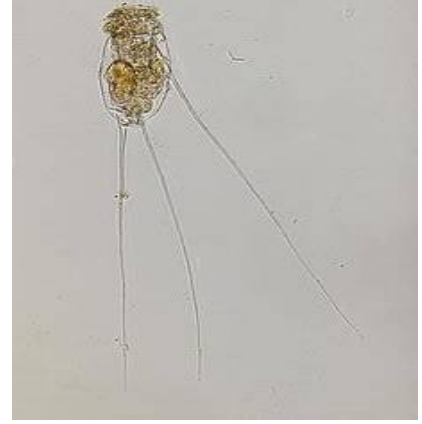

Rotaria sp.

Brachionus havanaensis

Filinia opoliensis

Filinia terminalis

Keratella americana

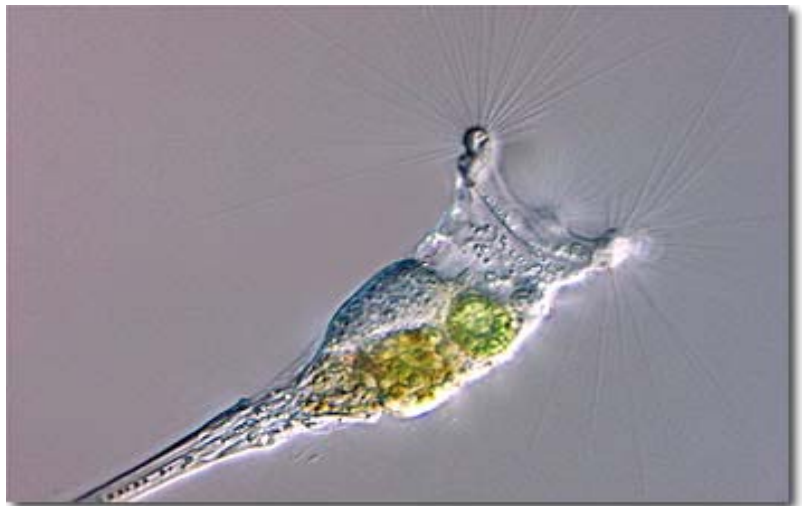

Synchatea sp

Keratella tropica

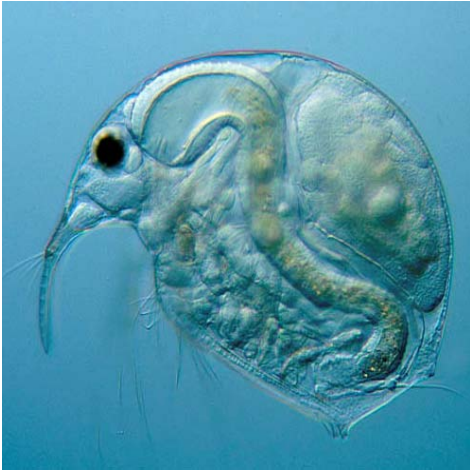

Lecane sp.

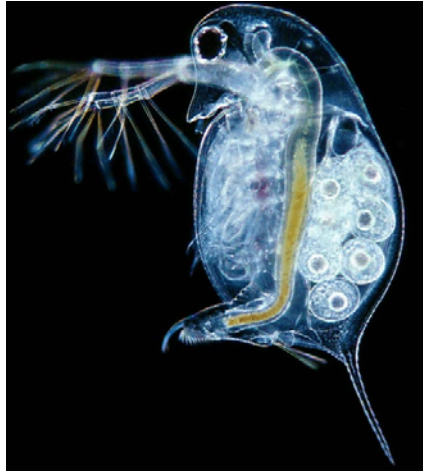

Colotheca sp.

Cladóceros

Bosmina sp.

Daphnia sp.

Moina sp.

Ceriodaphnia sp.

Diaphanosoma sp.

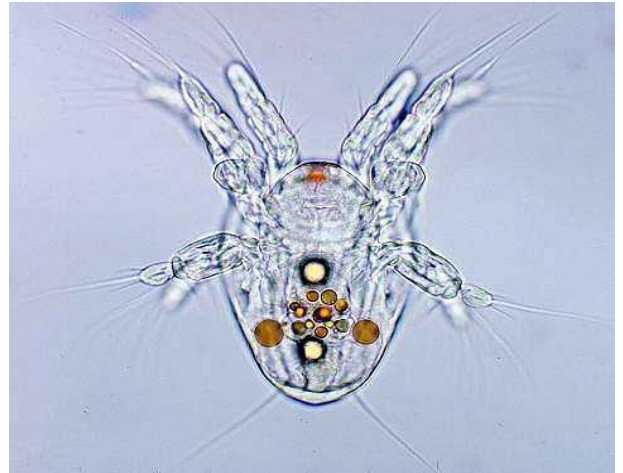

Copéodos

Thermocyclops sp.

Argyrodiaptomus sp

Forma jovem de copéodo
(Náuplio)

Ostracoda

Ostrácodos em um substrato
